SALT

It heals, flavors, and causes thirst.

But it does nothing on its own. It must interact to have purpose. If it fails to be used, it loses its power and purpose.

"You are the salt of the earth. But what good is salt if it has lost its flavor? Can you make it salty again?" Matthew 5:13

Jesus calls us the salt of the earth, but how can we be used? How can we fulfill the purpose He has for us? Learn how to use your skills and passions to glorify God in all the earth - no matter your location or vocation. The *Perspectives* course will expose you to true stories of how God is using people like you, and it will provide you with a greater perspective to live your life with eternal significance and purpose.
